akuttstusykehusene fra traumesenteret  
og hva kan de selv bidra med?  
*Per K. Hyldmo*
- 09.00 Nasjonalt traumeregister –  
nødvendig for å evaluere  
traumesystemet  
*Kjetil Ringdal*
- 09.15 Traumesystem – KISS – keep it  
simple.. *Tina Gaarder*
- 09.30 HSØ laget mandatet for bedret  
traumeomsorg – hva nå?  
*Lisbeth Arntzen*
- 10.00 Panel debatt
- 10.30 Coffee

## SETTING THE STAGE TO AVOID CHAOS

*Claus Falck Larsen / Tina Gaarder*

- 11.00 State of the art –  
Trauma Systems & Trauma Centres  
*Bill Schwab*
- 11.30 A trauma team without a surgeon –  
how to justify the model?  
*Claus Falck Larsen*
- 11.45 Reorganizing trauma care in  
Stockholm – lessons learned  
*Louis Riddez*

### MONDAY 25<sup>TH</sup> OCTOBER

**HOT TOPICS** Kjell Matre/Hans Morten Lossius

- 12.50 Trauma ICU – closed or open?  
*Simon Robertson*
- 13.05 Aortic injuries – a ticking bomb  
*Johan Pillgram-Larsen*
- 13.20 Bowel fistulae – have we solved the problem?  
*Penn consultant*
- 13.35 Delayed reconstruction of the open abdomen - recent trends  
*Scott D'Amours*
- 14.50 Pelvic stabilization – show us the evidence? Prehospital In-hospit  
*Anna Tøtterman*  
*Jan Erik Madsen*
- 14.15 TBI – keep the Haemoglobin higher  
*Eirik Helseth (PRO) / Simon Robertson (CON)*
- 14.40 Prehospital thoracotomy – indicated in Scandinavia?  
*Per Bredmose (PRO) / Hans Morten Lossius (CON)*
- 15.05 Case discussion **NORWAY**
- 15.30 Coffee

**CRITICAL INJURIES** Louis Riddez/Pål Næss

- 16.00 State of the art - Damage Control Surgery  
*Bill Schwab*
- 16.30 Severe penetrating trauma – simple but not easy  
*Steve Moeng*
- 16.45 Physiologic state identification using ICU informatics  
*Mitch Cohen*
- 17.00 Haiti - Trauma and non-trauma related lessons learned  
*Louis Riddez*
- 17.15 (Inter)national standard for prehospital triage?  
*Marius Rehn*
- 17.30 Emergency room thoracotomy, futile or lifesaving?  
*Johan Pillgram-Larsen*
- 17.45 What does the future hold for the critically injured  
*Penn consultant*
- 18.00 Case discussion **USA**

### TUESDAY 26<sup>TH</sup> OCTOBER

**08.00 Free papers**

**10.00 Coffee**

**Competencies** Scott D'Amours/M.Tandberg-Eriksen

- 10.25 Setting the stage – can trauma competencies be defined?  
*Tina Gaarder*
- 10.40 SSAI emergency medical training program – usefulness and challenges  
*Per K. Hyltmo*
- 10.50 How far have we reached in standardizing prehospital competence  
*TBA*
- 11.00 Trauma surgical competence program – a Scandinavian model?  
*Lars Bo Svendsen*
- 11.10 Surgical Societies – a formal responsibility in trauma care?  
*Olaug Villanger*
- 11.20 The role of the orthopaedic societies in securing trauma care  
*TBA*
- 11.30 How can the Armed Forces contribute to trauma competencies?  
*TBA*

**Teaching programs** Lars Bo Svendsen/Morten Vetrhus

*Lars Bo Svendsen*
- 11.50 Simulated trauma team training – applicable and sustainable globally?  
*Kari Schrøder-Hansen*
- 12.00 Do nurses in the trauma team need formal training programs?  
*Yvonne Viksmoen*
- 12.10 DSTC/DSTS – competing or complementary course concepts?  
*Tina Gaarder*
- 12.20 Simulated trauma training – can it substitute real time experience?  
*Scott D'Amours*
- 12.30 Discussion – panel
- 13.00 Lunch

### TUESDAY 26<sup>TH</sup> OCTOBER (cont'd)

**COAGULOPATHY & TRANSFUSION PRACTICES**

**Chairmen:** Per Johansson/Nils Oddvar Skaga

- 13.45 Setting the stage  
*Nils Oddvar Skaga*
- 14.00 Limited evidence in trauma related transfusions – pitfalls of some of the retrospective studies  
*Simon Stanworth*
- 14.15 Mechanism of acute traumatic coagulopathy  
*Mitch Cohen*
- 14.30 Haemostatic strategies for minimizing mortality in surgery with major blood loss  
*Per Johansson*
- 14.45 What do we really know about how to best use plasma and platelets for transfusion in critically ill patients  
*Simon Stanworth*
- 15.00 Coffee

**Chairmen** Anders Holtan/Pål Aksel Næss

- 15.30 Trauma Immunology  
*Mitch Cohen*
- 15.45 Blood management for massive haemorrhage in trauma  
*Per Johansson*
- 16.00 Autotransfusion in trauma – advantages vs practical challenges  
*Steve Moeng*
- 16.15 The use of whole blood in trauma – the future or back to square one?  
*Simon Robertson*
- 16.30 Case discussion **SOUTH AFRICA**

**17.00 Closure**
